

Co-funded by
the European Union

Dear Colleagues,

We are pleased to invite you to the **1st Congress of the EdU_Saliva Project – Inclusive Digital Material on Saliva Science for the Curricula of European Higher Education Institutions**, which will take place on **12th September 2025**, in the **University of Évora, Portugal**.

This event aims to bring together educators, researchers, and professionals interested in promoting innovation and inclusion of the saliva science in higher education.

The congress will address key topics including:

- Saliva as a diagnostic and research tool in human and animal sciences
- Development of innovative teaching strategies for integrating saliva analysis into higher education curricula
- Future perspectives on saliva research in clinical and academic contexts

Participation in the congress is free of charge, but registration is required via: <https://forms.gle/w7YdjRSpHUGXzLBj9> by 25th of August.

Attendance is possible online for assisting. It is not possible for performing a presentation.

We also warmly encourage you to share your work: abstracts may be submitted until the **25th of July**. Participants presenting a work, in oral or poster format, will have to attend in-person. Abstracts must contain a title, list of authors and affiliations, maximum of 5 keywords and a summary of the work with no more than 200 words; It must be prepared using Times New Roman, 11, space 1,5 and submitted as word or pdf file.

We believe this congress will offer an excellent opportunity for knowledge exchange, networking, and collaboration to advance the role of saliva science in modern education.

We look forward to welcoming you in Évora to share ideas and shape the future of inclusive, digital teaching resources on saliva science.

Warm regards,

EdU_Saliva Project Coordination Team
